From the Director...

An occasional Vlog from school leadership to highlight things happening at St. Paul's Christian School!

From time to time, school leadership and staff will post a Video Blog about activities and/or special events taking place at St. Paul's Christian School.

This allows parents to be involved with their child's learning at SPCS through our school-wide network and website.

Check out the first installment on **Community Helpers Day** via the drop-down link on the **Parent Portals** tab of the website or **click/tap here**.

MAPP is a new *mobile-focused* app connecting parents to frequently used SPCS links, apps and forms.

MAPP was designed *in-house specifically for* parents with suggestions provided by parents...
all of which were incorporated into the app.

MAPP is web-based and *should function on any internet connected device* to provide
quick and easy access to information parents need anytime, anywhere!

Employment Opportunities

If you feel that you can contribute as a part of the caring and family-oriented staff at our school, *complete and submit an online application at anytime for our files.*

You can also *upload your letter of interest, resume, credentials, letters of reference or other documents* to support your application right on the website.

Select ***Please keep my information on file*** in the **Position Applied for** drop down list.
